Do you think this has gone far enough?

This new department will operate independently of the already existing BLM Department of Law Enforcement and Protection under Director Salvatore Lauro, it will also operate independent of the Department of the Interiors (BLM's mother agency) according to James Gallagher Director of Intelligence for the Department of Interior. In fact it is quite unclear as to who will have oversight over this new department or who authorized it's creation.

Militia Memes

Our forefathers did not politely protest the British. They did not vote them out of office, nor did they impeach the king, march on the capitol, or ask permission for their rights.

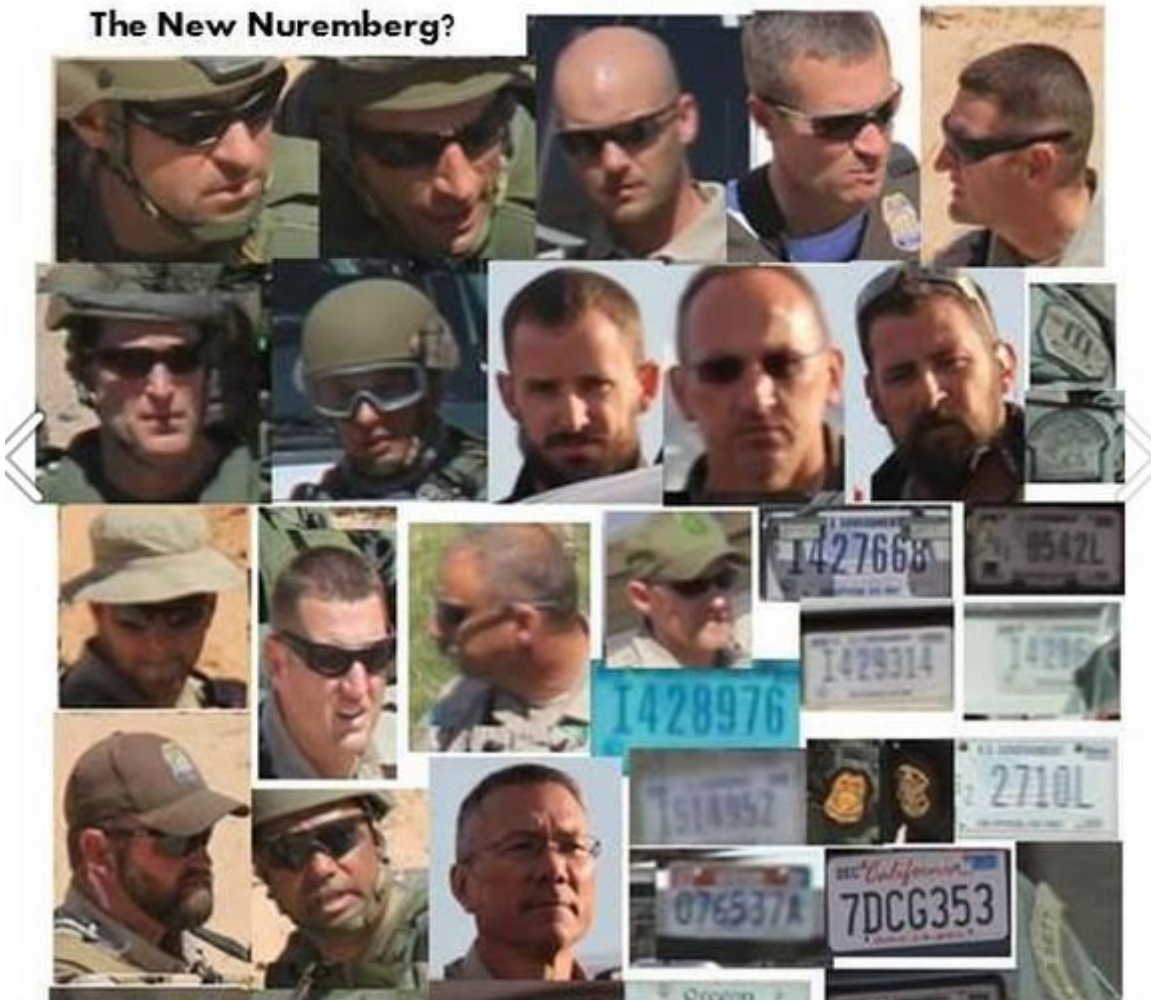

They fucking shot them.

The faces of those who just followed orders at the Bundy Ranch.
